

## G. MEDICAL REPORT (MANDATORY)

To be completed by a registered medical practitioner after thorough clinical and laboratory examination, including x-ray of the chest. The Organization reserves the right to require candidate to undergo a further medical examination before he/she takes up the grant.

<b>Name of applicant:</b>	<b>Nationality:</b>	<b>Age:</b>	<b>Gender:</b> <i>Male</i> <input type="checkbox"/> <i>Female</i> <input type="checkbox"/>
---------------------------	---------------------	-------------	--------------------------------------------------------------------------------------------------

1. At present is the person in good health and in full working capacity?
2. Is the person physically and mentally able to undertake intensive study abroad, and free from any condition that may hamper its successful accomplishment?
3. Is the person free from any infectious diseases (for instance tuberculosis and trachoma) which could present risks to both the applicant during his/her grant period and to his/her contacts?
4. Does the country where the training institution is based require mandatory HIV/AIDS testing from foreign visitors upon arrival? If so, has an HIV/AIDS test conducted? (The result of the test shall NOT be communicated to UNU. Rather, the result shall enable the fellow to decide whether or not to embark on the fellowship.)
