2015 ProSPER.Net Leadership Programme

‘Transformational Leadership in Implementing and Assessing Sustainability Projects’

23 to 29 August, 2015

Sabah, Malaysia

Tentative Programme

General description:

- the aim of the Leadership Programme is to offer an opportunity to the participants to gain skills in communication and consensual decision-making processes, gain competencies in adaptive leadership, enhance critical and systems thinking abilities, learn project planning, implementation, management and assessment through problem-based learning cases in the community.
