Barómetro

Monitorização da Implementação do Plano de Ação da Universidade do Minho

About UNU-EGOV:

UNU-EGOV, part of the United Nations University (UNU), is a think tank dedicated to Electronic Governance; a core centre of research, advisory services and training; a bridge between research and public policies; an innovation enhancer; a solid partner within the UN system and its Member States with a particular focus on sustainable development, social inclusion, and active citizenship. 

UNU-EGOV strives to cement its role as an international reference of excellence in this area, bringing together multidisciplinary and multicultural teams around complex problems and emerging challenges.

Barómetro UM*: an instrument to measure and monitor the implementation of the operationalisation measures inherent to the UM Action Plan 2017-2021.

Strategic priorities for the future development of the University:
- Three Axes of Mission (Education, Research and Interaction with the Society)
- Internationalisation
- Three Areas of Mission Framework (Institutional Quality, Quality of Life of the Infrastructures and at the Campi, Financial Sustainability)

Programmatic Goals: 62
Operational Measures: 102
Transversal Institutional Projects: 13

What for?
- Monitoring of the whole implementation process of the UM Action Plan;
- Reinforcement of the transparency principle;
- Relevance for the governance and management of the University.

Results
- An Instrument for Measurement and Monitoring:
- The Portal Barómetro UM web platform;
- Update of the Portal Barómetro UM (monitoring will be done every six months, which will allow the observation of evolutionary processes and any deviations in the implementation of the 102 Operational Measures)

* Research project promoted by the University of Minho General Council.
