<http://pullman-hanoi.com>

Registration of Participants

Registration of participants will start on 24 May 2016 from 8:30 to 9:00 am.

Contact Details

(Assistance during the Conference)

Asso. Prof. Tran Thi Viet Nga

Dean, Department of Environmental Engineering, NUCE

Email: ngattv@nuce.edu.vn

Visa Requirement

Please ensure that your travel document has a minimum six-month validity period beyond the scheduled date of departure.

Citizens of all countries require a valid passport and an appropriate visa.

Health Requirements

You are strongly advised to obtain international travel and medical insurance to cover the period from your departure until the time of your return.

NUCE and UNU-FLORES disclaim all responsibility for medical accidents and travel insurance, for compensation, death or disability, loss or damage to personal property and for any other costs or losses that may be incurred during travel time or the period of participation in the meeting.

Accommodation

Your accommodation arrangements have been made at the Pullman Hotel, Ha Noi. The organizers will bear the cost of breakfast, lunch and dinner for the duration of your stay. For any clarification regarding accommodation, you can contact

Asso. Prof. Tran Thi Viet Nga (ngattv@nuce.edu.vn).

Airport Transfers

NUCE will make arrangements for airport pick-up and drop-off.

In case of an emergency, please contact

Asso. Prof. Tran Thi Viet Nga (ngattv@nuce.edu.vn)

Weather

Although May is the last month of spring in Ha Noi, it's more like a summer month due to significant increase in its temperature and precipitation. The weather is sometimes unpredictable in May that several tropical depressions may still pass by in the month causing cold days.

Electrical Supply

Power in Ha Noi is 220 volts at 50 cycles. Plugs in most hotels will take either round or flat two-pronged plugs.

Transport to Workshop Venue

The workshop will be held at the Pullman Hanoi Hotel. The exact location (room name) will be communicated at the time of check in.
