

国連大学サステイナビリティ高等研究所 大学院説明会

[Online] UNU-IAS Information Session

Curious about studying Sustainability Science at an international organisation? The UNU-IAS information session will give you a window into the learning experience and ongoing research at the Institute. Our alumni will tell you “why UNU-IAS?” from their own experiences learning and conducting research during their studies, as well as how it has enabled their career growth. Do not miss this opportunity!

Programme

Overview of UNU and UNU-IAS

Dr. Kensuke Fukushi, Academic Director, UNU-IAS
