

VALEDICTORY ORATION

ABSTRACT

The United Nations University (UNU) is a global think tank and postgraduate teaching organization headquartered in Japan. The mission of the UN University is to contribute, through collaborative research and education, to efforts to resolve pressing global problems of human survival, development and welfare that are the concern of the United Nations, its Peoples and Member States. Over the decades, the mission of UNU as well the impact of its activities has been a subject of intense debate. I
