

## RE-ADVERTISED

# SAM NUJOMA CAMPUS Professional Development

The Sam Nujoma Marine and Coastal Resources Research Centre (SANUMARC) is an Operating Unit of the United Nations University Institute for Natural Resources in Africa (UNU-INRA) invites suitably qualified candidates to apply for the following Scholarship opportunities that will commence in April 2022. SANUMARC is running a project called JUST Transition, evaluating the transition from high carbon fuels to low or zero carbon fuels, as we race towards the greening of the Namibian economy.

### ROLE OF POSTDOC

#### CONCEPTUAL FRAMING

1. A thorough review of the literature and theories on political economy and intersectionality can be adopted by the project to unpack various forms of risks, responsibilities, inequities for diverse groups, and power relations embedded in the just transition discourse.
2. Contribute to the conceptual framework and theory of change to bring contextual nuances.
3. Assess the receptibility of government on innovative ideas around greening (Are the NDCs pledging any support to greening? )

#### EMPIRICAL RESEARCH

1. Development of questionnaires/interview guide
2. Expert interviews
3. Institutional analysis

#### PUBLICATIONS

1. Develop a catalogue of best practices for just energy transition in the informal sector.
2. Publish evidence-based policy briefs, op-eds and

governance strategies to enhance just energy transitions within the informal sector and address ways to de-risk investment opportunities.

#### MINIMUM REQUIREMENTS

PhD in Energy, Social Science, Agricultural economist

#### ROLE OF MASTERS

1. Contribute business ideas/knowledge on the ground to feed into the conceptual work
2. Literature review
3. Market survey and ground field data collection
4. Contribute to knowledge products (Policy briefs, a compendium of best practices)

#### MINIMUM REQUIREMENTS

(Preferably MBA students in the 2<sup>nd</sup> Year of studies).

Bachelors of Business Administration, or energy economics, or renewable energy.

#### SUBMISSION AND ENQUIRIES

Applicants should submit a detailed CV, a copy of academic record and covering letter summarizing the reason for applying, and motivating why you are well suited to the project you are applying for. Those who applied already should not apply again. Application (Electronic only) must be sent to

*Ms Elizabeth Uahindua,*  
Email: [euahindua@unam.na](mailto:euahindua@unam.na) | Tel. no: 064 502 600

Shortlisted candidates could be required to avail themselves for an interview. Only short-listed candidates will be contacted

**Closing Date: Thursday 07 April 2022**
