

Women IN ICT Workshop: Exploring Challenges, Envisioning Solutions

Thursday, 10th November, 2016

9:00am – 5:00pm

United Nations University Institute on Computing and Society

Join us for a free one-day workshop on Women IN ICT at UNU-CS in Macau.

About the Workshop:

The workshop brings together scholars, policy makers, NGOs, HR managers and women ICT entrepreneurs to share research and experience on Women IN ICT recruitment and retention challenges in East Asia from three aspects: 1) perceived lack of employable female candidates, 2) unconscious cultural attitudes of gender stereotyping by employers and in the work place, and 3) work-life balance issues for women in the ICT sector. Panel and group discussions will explore these challenges in the morning session and address them with innovative solutions in the afternoon session.

Programme:

- 9:00 Registration and Welcome
- 9:30 Morning Panel: Exploring the Women IN ICT Recruitment and Retention Challenges
- 11:00 Coffee and Group Discussion
- 12:30 Lunch
- 14:00 Afternoon Panel: Addressing the Women IN ICT Recruitment and Retention Challenges
- 15:30 Group Discussion
- 16:45 Closure and Cocktail Party

Register now on Eventbrite to secure your place for the event
